Leon D. Sagaloff

Leon was born April 22, 1952 in Sedalia, Missouri and passed away in Dillon March 21, 2025. At age eleven he moved to Overland Park Kansas. Although fly-fishing, hunting, and camping were not common interests in the suburbs, Leon was determined to learn. He graduated from Shawnee Mission South High School in 1970, and from the University of Kansas in 1974. He majored in journalism and minored in history. Both areas remained passions of Leon's throughout his life. He loved to read and shared his love for literature and history generously with friends. Throughout his education he made as much time to be outdoors as was possible.

Five days after graduating from college, he moved to Boulder, Colorado and worked to become an expert fly fisherman. Leon claimed working in fly shops and gun shops was his graduate school. By 1976 he and his wife, Linda opened Stream Designs where they created fishing vests and the first gore-tex rain gear for fishermen. Leon was very proud of his highly practical creation and was thrilled when the vests were offered in LL Bean and other outdoor gear catalogs. He stated, "Almost all of the fly-fishing heavy hitters wore them." Montana called to this outdoorsman as it has to many. He and Linda moved to Gallatin Gateway in 1981. They welcomed their only child, Benjamin in 1984. Leon was proud to be a father and step-father, though he would readily admit to not being a perfect parent.

As a fishing guide, Leon worked for the likes of Bud Lilly and George Anderson, most often in the early days on the Big Horn River. After divorce, he lived for a time in Missoula where he guided in the summer and worked on and sold guns in the winter. 1998 brought Leon to Dillon for what he claimed were "the best years of my life". Leon loved fishing the Big Hole and the Beaverhead rivers and guiding on them was a highlight of many of his stories. He made great friends, taught many people to fish, and a helped others to become fishing guides. He enjoyed working at the Frontier Anglers shop in the winters, but it was the guiding season that held his heart.

As he aged, he shifted his focus to working on and trading guns. A great day for Leon was one where he got to go to the river or the range. He shared generously his love for all things outdoors. Leon was honored and grateful to have his son, Ben and grandson Gary living in Dillon. He had some of the most kind and generous friends any man could hope for. Leon was grateful for the support and help of Honey Bee Hospice in his last months.

A celebration of Leon's life will be held in conjunction with the Trout Unlimited Pint Night at the Beaverhead

Brewery on April 11, 2025 beginning at 5:30. A hope Leon shared often in the last years was to be remembered for his passions. Please join friends and family for this celebration of Leon's life.

Leon's ashes will be returned to the earth at sacred fishing spots later this spring.

Donald (Don) Stephen Dvoroznak

Donald (Don) Stephen Dvoroznak passed away Wednesday, March 26, 2025 in Missoula, Montana. He was born in Northampton, Pennsylvania on July 15, 1940 to Sue Barna and Stephen Dvoroznak. He attended Central Catholic High School in Allentown, Pennsylvania. He then joined the Marine Corp where he proudly served from 1957 to 1961.

He met the love of his life Bonnie Hair n Washington DC while he was stationed at the Marine Barracks 8th & I where he proudly guarded the President of the United States. Don and Bonnie later married on March 21, 1963 in Pennsylvania. They then welcomed their first born son Tyrone and their family was complete with Keith 4 years later. He was very proud of his family and loved them with his whole heart.

As a family they lived in multiple states finally settling in Thompson Falls, Montana in 1993 where they fell in love with the mountains, river, wildlife and small town feel. As Don and Bonnie's health declined they relocated to Dillon, MT to be closer to family.

Throughout Don's career he worked in law enforcement as a state trooper, detective and chief of police, you can say he was a man of many badges. He later worked as a special agent with Amtrak Railroad and then settled into his

greatest honor of being an archery ambassador with Fred Bear, Nirk Archery, Matthews Archery and Ripcord where he was vice president and worked alongside his son Keith for 17 years.

Don is preceded in death by his parents Sue and Stephen. He is survived by wife Bonnie, sons Ty (Joana) Dvoroznak & Keith (Trish) Dvoroznak, grandson Cody (Abriana) Dvoroznak and great granddaughter Oakley, granddaughters Taelor (Kolby) Rimer, Mckenzie Huddleston, great grandsons, Luke, Levi, & Liam, brother and sister in laws Jack & Susan Hair as well as numerous friends that he considered family.

Don had a real passion for life & a thrill for making himself the life of the party as well as being an avid bowhunter & outdoorsman. He enjoyed countless hunts in North America & Africa. He was one of the original founders & last surviving two of Bowhunters of Wyoming. So many can reflect on Don's stories told at hunting camp as well as his fortitude for doing whatever he wanted to do in life whether it was good or bad. He was from a dying breed of men, hard, loyal, patriotic, caring & we were all better for knowing him.

Until we meet again we know you will be stalking the fields and your arrows flying true as you are now on a greater hunt. This isn't the end, it is just a break so Don can get camp ready for all of us when we get there.

Cremation has taken place & a summer celebration of life will be held at a later date.

Bulldogs Earn Season Bests and PRs at Invitational
 The Bulldog track and field team competed at the AI Manual Invitational today, hosted by the University of Montana. It was a full day of action, with several Bulldogs posting strong performances. Both the men's and women's teams finished fourth out of six.
Sprints & Hurdles
 Drake Delude set personal bests in both the 100m and 200m, clocking 11.54 and 23.73, respectively. Gracie Yakos recorded a personal record (PR) of 17.20 in the 100m hurdles, while Wade Dahood set a PR in the men's 110m hurdles with a time of 16.57. Yakos also competed in the 400m hurdles, achieving another PR at 1:09.73. Erick Piazzola made his season debut in the 400m, securing a PR with a time of 56.31.
Middle & Long-Distance Events
 Justene Santi had a strong showing in the 3000m steeplechase, earning a PR of 12:46.30. She also posted a PR in the 400m with a time of 1:12.91. In the men's 800m, Brody Henry placed third with a season-best time of 2:02.95, while Bridger Wheeler earned a PR at 2:17.85. On the women's side, Ruby Smith set a PR in the 800m with a time of 2:39.44, and Olivia Canney shaved nearly nine seconds off her best time, finishing in 2:48.39.
 In the men's 1500m, Noah Rovente recorded a PR of 4:17.33, Wheeler added another PR at 4:44.19, Harrison Silverio clocked 4:47.22, Kreg Butler set a PR at 4:52.58, and Carlin Onstad finished in 5:45.76. On the women's side, Smith clocked 5:39.44 for a PR, Canney ran 5:44.22, improving by nearly 19 seconds, and Kylee Wyatt earned a PR of 6:41.34.
 Olivia Steadman made a significant improvement in the 5000m, cutting 57 seconds off her previous best to finish in 19:08.69.
Throws & Field Events
 Layne Cooney led the Bulldogs in the discus with a PR throw of 46.40m, securing a second-place finish. Carson Bain recorded his best throw of the season at 37.62m, while Justin Maier (34.92m), Landon Darsow (34.65m), and Tad Tackes (34.49m) all posted PRs.
 Cooney also set a PR in the men's hammer throw at 36.02m. In the javelin, Sarah Clark made her return to competition with a throw of 28.55m.
 In the men's shot put, Cooney led with a throw of 13.60m. DJ Jackson achieved a PR of 11.63m, followed by Bain at 11.43m, Maier with a PR of 10.52m, Darsow at 10.33m, and Tackes at 9.50m. On the women's side, Ellie Stutsman threw 8.96m.

American Legion Post 20 Dinner and Meeting

American Legion Post 20 invites all veterans to dinner and to our General Meeting on Wednesday, April 2, at the Legion Hall. Social time starts at 5:30 pm, and at 6, dinner is Beef Stroganoff, salad, Hawaiian rolls, and lite cherry cheesecake. Dinner is \$12, soda \$1, and other drinks \$2. The General Meeting is after dinner for those who wish to attend. If questions, contact Commander Lois Volkening (406) 925-3774.

BLM to Increase Campground Fees along the Madison River

In response to growing demand and increasing operational costs, the Bureau of Land Management is increasing campground fees for recreation sites along the Madison River, managed by the Dillon Field Office. These changes will directly benefit visitors by supporting year-round site maintenance, enhancing facilities, and providing high-quality recreational opportunities for all.

"These fee adjustments are essential for ensuring that the Madison River remains a vibrant and accessible destination for everyone," said Amanda James, Dillon Field Office Manager.

One hundred percent of the fees collected will be reinvested directly into the maintenance and enhancement of the sites where they are collected.

For more information about these fees and the Madison River Business Plan, please visit BLM Recreation Fees.

Registration opens for Montana Technological University's summer and fall courses

Please contact Enrollment Services at (406) 496-4256 or enrollment@mttech.edu if you have any questions.

The Rotary Club of Dillon Meeting
 The Rotary Club of Dillon will meet Wed., April 2nd at Noon at St. James Episcopal Church-Guild Hall. Mary Ann Nicholas will be our hostess who has arranged for the featured speaker: Rob Isham, speaking about the Duckworth & Helle Operation.
 Duckworth: Duckworth was founded on a ski hill- a ski lift to be precise. The cornerstone of their ethos and mission was to create versatile Merino wool products made exclusively in the USA with Montana grown wool produced by fourth generation and co-founders, the Helle family. They truly have a supply chain the begins and ends in the USA. Rob Isham is principal in the company that will be giving us details about their history, production, product and marketing.

Upper Missouri River Reservoir Fisheries Plan
 Montana Fish, Wildlife & Parks will hold its annual update meeting on the Upper Missouri River Reservoir Fisheries Management Plan on Wednesday, April 30.
 The meeting will be held at 6 p.m. in the auditorium of the Montana WILD Education Center in Helena and will update anglers and the public on population trends of principle game fish in the plan area. The Upper Missouri River Reservoir Fisheries Management Plan guides fisheries management for Canyon Ferry, Hauser and Holter reservoirs and the Missouri River from Toston to Canyon Ferry and from Hauser Dam to upper Holter Reservoir.
 More information on the management plan is available here or contact fisheries management biologist Nathan Jaksha at nathan.jaksha@mt.gov

Dillon Elementary School District #10

2025 Technology Levy

By the Numbers

 **\$150,000** Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

 **10 year term for levy**
If approved, the technology levy would remain in place until 2035.

 **\$50,000 - \$1 million**
Monetary losses to school districts following a cyber incident ranged from \$50,000 to \$1 million according to the U.S. Government Accountability Office.

 **141%**
Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

 **14.7% less per-pupil**
Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent \$11,388 per pupil, in contrast to Montana's state average of \$13,346, as reported in the 2022-2023 school year.

 **23 years**
Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a \$50,000 annual technology levy.

 **\$275,000 current shortfall**
Current technology costs exceed the existing \$50,000 technology levy by \$275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm

Tuesday, March 18th at 6:00pm

Thursday, April 10th at 7:00pm

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary
School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a \$150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
\$8.01 per year	Estimate for a home with a market value of \$100,000
\$24.02 per year	Estimate for a home with a market value of \$300,000
\$48.03 per year	Estimate for a home with a market value of \$600,000

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:

Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:

Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:

Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:

Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at <https://www.dillonschools.org/page/2025-technology-levy> or scan the QR Code.
