Silver SUV Crashes into Parked Vehicle on North Idaho Street

Jeremy Crawford, Southwestern Montana News

On Friday afternoon, local police and first responders were dispatched to the site of a vehicular collision on North Idaho Street, adjacent to the Little Town Pump. The incident involved a silver Ford SUV and a stationary white Chevy pickup truck parked in the CK Fringe Salon parking lot.

According to eyewitness accounts, the silver Ford SUV reportedly exited the Little Town Pump's parking area at a high speed before crossing North Idaho Street, where it struck the parked Chevy pickup truck.

The driver of the Ford SUV sustained injuries in the crash and was transported to Barrett hospital for medical treatment. Details regarding the extent of the driver's injuries remain undisclosed at this time.

The incident is still under investigation, and no other information is available currently.

Montana Western Presents Missoula Children's Theatre

The University of Montana Western's Fine Arts Department and the Bank of Commerce Performing Arts Series are excited to welcome the Missoula Children's Theatre production of "Red Riding Hood" on Saturday, September 27, 2025, in Beier Auditorium.

Join Red Riding Hood and her pre-teen friends on a whimsical journey through the woods in this lively adaptation by Michael McGill, with music and lyrics also by McGill. In this family-friendly tale, Red navigates adventures, distractions, and surprises on her way to Grandmother's house. Along the way, she encounters a not-so-bad Big Bad Wolf, a friendly Forest Ranger, mischievous young wolves, a dashing Woodsman, the Three Little Pigs, and even a Boy Who Cried...well, you'll see! With the help of her family and a loyal young Locksmith, Red learns that staying on the right path is key—and maybe she'll finally reclaim her picnic basket from a band of rascally raccoons.

Rated G, this fun and engaging performance is perfect for audiences of all ages and offers a delightful introduction to storytelling, music, and theater for children.

Red Riding Hood will be performed in Montana Western's Beier Auditorium at 3:30 p.m. and 6 p.m. on Saturday, Sept. 27, 2025.

This year's tour directors are Cady Epperson and Sarah Lindsay Merriman. Cady, originally from Dallas, Oregon and now living in Livingston, Montana. Sarah Lindsay is a Virginia native and recent graduate of Radford University. Together, they are excited to share their love of theater with young performers across the country and are passionate about introducing children to the joys of live performance and creative expression.

Student and school group pricing is available. Please contact Assistant Professor of Theatre Stephen Seder at stephen.seder@umwestern.edu or 406-683-7038 to reserve seats, as space is limited.

Tickets can be purchased through the Univ. of Montana Western box office webpage: umwestern.edu/bank-of-commerce-performing-arts-series/box-office. Tickets are \$16 for general admission, \$12 for seniors (65+), youth (18 & under), and military, \$10 for UMW faculty/staff, and free for UMW students with a student ID.

To learn more about the Bank of Commerce Performing Arts Series and this year's productions, visit umwestern.edu/bank-of-commerce-performing-arts-series.

Beaverhead County Museum Will Be Closed

Monday September 8th through Friday September 12th You can reach Candi at 406-683-5027 or email bvhdmmuseum@hotmail.com. The museum office will be open during furnace replacement.

The Board of Trustees and I extend our sincere gratitude to everyone for their unwavering support over the years. It requires significant funding to keep our doors open and functioning throughout the year. The furnace in the main museum, installed in 1967, has served us well but is now nearing the end of its lifespan. I am pleased to share that we will be installing a new furnace in the museum, along with another furnace in the depot.

It is thanks to the support of our community that we have thrived in Dillon for 75 years.

Thank you,
Candi Whitworth, Executive Director

Dear Dillon Community Members,

The Dillon Elementary School District is excited to share our Learner (Graduate) Profile with you. This document is required by the Office of Public Instruction (OPI) and is intended to encompass our hopes and dreams for the children of Dillon as they leave the elementary district.

Employers today are looking for skill sets that may vary from those of the past. Even casual research will reveal that academic performance alone is not enough to meet the rigorous demands of today's organizations. In addition to content knowledge, employers are asking for a set of "soft skills" that include but are not limited to professionalism, work ethic, oral and written communication skills, teamwork and collaboration skills, and the ability to think critically and solve problems.

You will see all these skills reflected in some way in our Learner Profile. Our goal is to produce students who have:

- Effective Communication Skills
- Strong Work Ethic
- Global Citizenship
- Academic Proficiency
- Integrity and Character
- Independence That Supports Lifelong Learning

The Dillon Elementary School District is dedicated to providing the education that will facilitate the development of these skills. Please direct questions and comments to Dillon Elementary's Federal Programs Director, Simone Nichols, at snichols@dillonelem.k12.mt.us.
