### Draft Downtown Dillon Master Plan Unveiled

Community Invited to Review & Provide Feedback at  
Farmers Market

The City of Dillon invites the community to learn about and review the draft Downtown Master Plan at the final City of Dillon Farmers Market on Saturday, September 20, 2025, from 9:00 AM to 1:00 PM.

The draft plan reflects community input gathered through surveys and planning board meetings, and outlines strategies for strengthening Dillon's historic downtown, supporting local businesses, and enhancing the community's quality of life.

"This draft plan represents the community's shared vision for the future of downtown," said Kristina Abbey, Director of Operations at the City of Dillon. "We encourage everyone to stop by, take a look, and share feedback before the plan is finalized."

At the market, the project team will have a booth set up for residents and visitors to:

- Review highlights of the draft plan
- See how public feedback shaped priorities
- Share comments with the project team

The plan builds on the 2016 Downtown Master Plan, integrating new opportunities and aligning with Dillon's Growth Policy update to ensure downtown remains vibrant and resilient. The draft plan, along with community input from the online surveys, is available on the project website: <https://www.visualizedillon.com/masterplan>

Comments & questions can be directed to Kristina Abbey at [operations@dillonmt.org](mailto:operations@dillonmt.org) or by calling 406-683-4245 Monday through Friday, 9 a.m. to 5 p.m.

**Fishing restrictions lifted yesterday on sections  
of the Bitterroot, Madison, Shields rivers**

Due to shorter days and longer nights resulting in reduced water temperatures, fishing restrictions are lifted on the sections of the Upper Bitterroot, Upper Madison and Shields rivers, effective immediately. Water temperatures have routinely been below criteria and FWP expects the temperatures to remain cool.

Upper Bitterroot River: from the confluence of the East and West Forks to Veterans Bridge at Hamilton.

Madison River: on the entire Madison River upstream of Hebgen Reservoir.

Lower Shields River: from Brackett Creek Road to the confluence with the Yellowstone River.

The restrictions had been in effect for these rivers due to warm water temperatures.

## Semi Crash on I-15 Near MM 5 Causes Minor Injuries

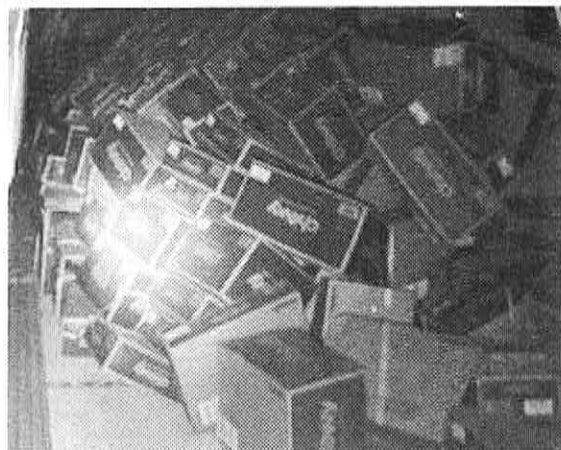

Jeremy Crawford, Southwestern Montana News

On September 9, 2025, at approximately 2:16 a.m., Lima Fire and Ambulance, along with the Beaverhead County Sheriff's Office, responded to a semi-truck crash on I-15 at mile marker 5.

According to reports, the northbound semi-truck went off the east side of the roadway on a slight incline. The driver overcorrected, causing the truck and its trailer to overturn and come to rest on its side. Fortunately, the driver only sustained minor scrapes and bruises and declined medical treatment at the scene.

The vehicle was completely off the road, posing no obstruction to traffic lanes. The trailer, loaded with 33,000 pounds of dog food was destined for Billings.

The Montana Highway Patrol is currently investigating the cause of the crash.

## Portion of Cherry River FAS to close due to construction

A portion of Cherry River Fishing Access Site will close this month while the City of Bozeman begins construction as part of a rehabilitation project for Manley Ditch.

The partial site closure will include the southeast portion of the trail at Gallatin Park Drive to the bridge. This area is scheduled to be closed from Sept. 15 until the work is complete, likely through December.

The parking lot at Cherry River FAS and the main trail loop to the north will remain open.

Cherry River FAS is just north of Bozeman along the East Gallatin River.

Veteran News Updates:

- The big news for a group of Vietnam Veterans and two Korean War Veterans from SW Montana was that we went on a Veteran's "Honor Flight" to Washington DC. These flights have been going on since the middle 1990's and were started for the WWII Veterans. This particular Honor Flight was organized by Navy Veteran Doctor Laurie Drum, with the backing of many sponsors from Deerlodge, her church and beyond. It's been an incredible trip with us leaving on Saturday morning. We packed light for this three day journey, and were issued two shirts, a western hat, an over the shoulder small pack to carry our wallet or other small items. Each Veteran met a person assigned to them, called a guardian, who would be there to help us navigate our way on this journey. These volunteer helpers were amazing and we grew to become good friends. My roommate and my Guardian was a Physical Therapist from Kalispell, who was a wonderful guy and made our journey carefree in many ways. Some of our Veterans needed to be in wheel chairs and their guardians pushed their wheelchairs wherever they needed to go. We were led and escorted by a group of motorcycle riders from the Combat Veterans Motorcycle Association, through Deer Lodge, with people clapping and waving to us along the streets as we left town, headed to the Bozeman Airport. Once we arrived at the Bozeman Airport we were greeted by a welcoming group of folks there. Once we got to the Baltimore Airport we were greeted/welcome. On Sunday we traveled to Washington DC., again escorted by the Veteran Motorcycle riders. It was a busy day as we went to the WWII Memorial, the Lincoln, Korean and Vietnam Memorials, before lunch, and then the FDR and Martin Luther King Memorials. We finished up with the Navy Memorial where we were greeted by Montana Rep Ryan Zinke. Our day ended with a banquet and welcoming home program of recognition, for all of us. Monday will be returning home in the afternoon after going to the Arlington National Cemetery Gate of the unknown Soldier, attending the Changing of the Guard, a Wreath Laying Ceremony, the Air Force Memorial, the Marine Corps Memorial (Iwo Jima). The memories of this trip will stay with us forever.
- The end of this week will see me in St. Louis attending the annual Toys For Tots coordinator training conference, so my plate has been full, but fulfilling.

My dog Jake has been diagnosed with allergies to everything except VENISON, BEEF LIVER and RICE. Beef liver can cause copper poisoning in dogs. Rice is ok as a supplement but it can contribute to inflammation for dogs with allergies. With this very unusual diagnosis I am struggling to keep my dog alive.

If you have any venison in your freezer that you don't want I sure could use it. I will pick it up. Call me - Catherine Cain 406-498-6198
