Full fishing closure lifted on section of Big Hole River

The full fishing closure on Section 1 of the Big Hole River, which is from Saginaw Bridge on Skinner Meadows Road to the confluence with the North Fork of the Big Hole River, has been lifted. Flow on the section reached the reopening criteria of 40 cubic feet per second for seven days. The closure had been in effect since July 19. The spawning closures downstream that went into effect Oct. 1 remain in place.

To check the status of other restrictions, check out the FWP website.

FWP's drought policy provides for angling restrictions when flows drop below critical levels for fish, when water quality is diminished or when maximum daily water temperatures reach at least 73 degrees for three consecutive days.

FWP also monitors stream flows and in some streams holds instream flow water rights.

Maclain Burckley Earns Frontier Conference Special Teams Player of the Week

Montana Western kicker Maclain Burckley was named Erck Hotels/ Frontier Conference Football Special Teams Player of the Week after an impressive performance at Simpson Oct. 25.

This marks his second Player of the Week honor this season (also named Special Teams Player of the Week Sept. 22)

"Maclain has been getting better and better all season," head coach Ryan Nourse said. "We have total faith in him. It was a tough day to kick and he dominated it."

Burckley had a perfect outing in Montana Western's 65-0 victory over Simpson, going 8-of-8 on PATs and 3-of-3 on field goals.

The Billings, native hit a 55-yard field goal just before half time, which is the longest by any kicker in the Frontier Conference this season (besting the previous of 47, also held by Burckley) and third-longest in the NAIA.

The redshirt-freshman has gone 8-of-11 on FGs this season, and has made six over 30 yards. He has also made 32 PATs, including 10 in a row.

FWP to repair boat ramps at Mallard's Rest and Gallatin Forks fishing access sites

Boat ramps will be closed temporarily this week at Mallard's Rest and Gallatin Forks fishing access sites while maintenance staff with Montana Fish, Wildlife & Parks repair the ramps.

Boat ramps at both sites will be closed Oct. 30 and 31. Construction will focus on repairing portions of the ramps that have been impacted by flooding and erosion.

Mallard's Rest Fishing Access Site is along the Yellowstone River about 13 miles south of Livingston. Gallatin Forks Fishing Access Site is at the confluence of the East Gallatin and Gallatin rivers about 2 miles north of Manhattan.

Bicentennial Inc. 2025 Grant Cycle to Support Senior Services in Beaverhead & Madison Counties

Bicentennial Inc. has 2025 grant cycle to support programs and services that improve the lives of senior citizens in Beaverhead County and the Ruby Valley of Madison County.
Deadline of October 31, 2025.

Bicentennial Inc. was formed following the 2022 sale of Bicentennial Apartments Inc. The apartments were originally established in 1976 as a community collaboration to provide safe, affordable housing for seniors in Dillon, Montana. The building was constructed on the site once known as the "cabbage patch" on West Center Street.

Proceeds from the sale established Bicentennial Inc. as a foundation dedicated to continuing this legacy of service.

Grant recipients for the 2025 cycle will be announced at the Bicentennial Inc. annual banquet on December 5, 2025.

For more information about the grant process, please contact: Fred Morganthaler, Vice President

OPPORTUNITY TO PRACTICE LAW IN BEAUTIFUL DILLON MONTANA

The City of Dillon is looking for an experienced attorney to handle civil matters and misdemeanor criminal matters. As the Dillon City Attorney, you will work closely with the Mayor, Director of Operations, and Dillon City Police Department. You will be a voting member on the DUI Task Force Board and play a key role at zoning commission meetings, plan board meetings and other city council meetings. A minimum of three (3) years experience is required. Negotiable salary dependant on experience, plus a competitive benefit package, including PERS retirement. Attn Hunters

My dog Jake has been diagnosed with allergies to everything except VENISON, BEEF LIVER and RICE. Beef liver can cause copper poisoning in dogs. Rice is ok as a supplement but it can contribute to inflammation for dogs with allergies. With this very unusual diagnosis I am struggling. If you have any venison, elk or moose in your freezer that you don't want, I sure could use it. I will pick it up.

Call me - Catherine Cain 406-498-6198 Jake thanks you!
